## The Difference

**Thank you so much for your support for Mount Clare Christian School. Your prayers and monthly donations are making a huge difference in the lives of our students. God bless you.**

My name is Rose. I came to Baltimore about eight months ago to live with my dad, because my mom passed away. My dad and step-mom had about a week to help me get into a new school. They tried all of the schools in the area, but they didn't seem safe enough for

me to attend, so after a few days, my dad talked to Miss Gwen about me coming to Mt Clare. Being at Mt. Clare is the best experience I ever had at school.

On September 21, 2017, one month after my mom passed away and on my grandfather's birthday, I was having a conversation with Miss Angie, because I was very sad talking about my mom and grandfather. Miss Angie began to comfort me and share with me how death isn't the end for those who believe in Christ and who ask him to be their Lord and Savior. I told Miss Angie I wanted to give my heart to God. Miss Angie prayed with me and led me to Christ. I am learning so much about God in my paces, morning meeting and in chapel. I am developing a relationship with God, and before coming to MCCS, I didn't think that was possible. I am so grateful for my teachers, Miss Amy and Miss Angie, and my principal, Miss Gwen. They helped me have a relationship with God and have loved and supported me through all my difficult times.

My name is Isaiah and I am 14 years old. I am not originally from Baltimore. I was born in Martinsburg, West Virginia and I lived there until I was about 5 years old. In my personal opinion, I think my hometown is way better than Baltimore. There is less drug use and violence and it's also a lot safer. The reason I'm here and not there is because we lost our house and had nowhere else to go other than Baltimore.

I have been through many things in my life.

However, in seventh grade, Elaine Delp, a lady from the church, helped me get into MCCS. Mount Clare has helped me out with a lot of my problems with my faith and I

think if I hadn't started attending the school and youth group, I don't think I would be a Christian. The school has really helped me get close to God and know him more. I feel like our school has really saved my life. I plan on finishing high school at Mount Clare and I feel confident that I will be prepared for college - thanks to the school.

**Are you looking for a ministry adventure?  
Are you a disciple of Jesus Christ, who would  
enjoy working in Inner-city Baltimore with  
children and youth?**

Mount Clare Christian School currently has three openings for teaching staff. We are looking for an Elementary Assistant Teacher, a Supervising Teacher in High School and an Assistant Teacher at the High School level. Our mission is to provide a quality Christ-centered education for children in our neighborhood. MCCS is an evangelistic outreach of Wilkens Avenue Mennonite Church.

We are looking for teachers who are at least 21 years of age, who are devoted to Christ, active members of a church, have experience working with children and youth and a strong academic background. Our teachers serve as role-models to students in life and faith; character and integrity are of the utmost importance.

MCCS utilizes the Accelerated Christian Education (ACE) mastery system of learning. Teachers work as educational guides in the classroom, assisting students with meeting daily work goals.

The Supervising Teacher and Assistant Teacher are paid positions, however, the salaries are low as our teachers are also missionaries to the students and parents of our Baltimore neighborhood. Our tuition is only \$25 per month for each student.

If you are interested in learning more about one of these positions please contact Principal Gwen Martin at 443-977-0595 or e-mail her at [mtclarecs@gmail.com](mailto:mtclarecs@gmail.com).  
(Applicants do not need a four-year degree)

***How great is the love the  
Father has lavished on us, that  
we should be called children of  
God! And that is what we are!  
1 John 3:1***

You were there  
When I first came into the world.  
You decided  
If I was a boy or a girl.  
You were there  
When I was starting trouble  
And you never left me,  
Because you are humble.  
You forgave me  
When I sinned  
But you still loved me  
And now I understand  
You were there at the beginning  
And you will be there til the end.
